

BARREL HOUSE VIPERS

The Barrel House Vipers is comprised of some of the best players on the UK Jazz and Swing scene. They have toured Europe, America and extensively across the UK specialising in early jazz and blues.

The band have a unique offering of rich vocal harmony, original arrangements and repertoire drawing from: Jelly Roll Morton, Fats Waller, Louis Armstrong as well as lesser known hidden gems.

Barrel House Viper are a collective comprising of a trio up to a big band and at its core consists of: Rachel Lawrence (vocals/washboard/accordion), Bill Frampton (double bass/harmonica) and Gus Dolding (tenor banjo/clarinet/guitar)

The band have extensively toured and are happy to play for dancers, parties, festivals, weddings and more.

Needless to say they were awesome. They're a fantastic band with hugely talented musicians who catered for a range of speeds for lindy hop, bal, blues and shag. We'd really love to have them back again and couldn't recommend highly enough!
